

Puriton Neighbourhood Plan - meeting 4 Jan 2022

Update from the previous meeting on 30 Nov 21

- Pete has marked the green spaces on the maps which Richard had given him, this has been completed physically. Richard will transpose these electronically onto a digital map and make sure that it includes Downend. The orchard and the play parks need to be included too.
- Pete has added photos to the other map with the views and significant areas. Again this has been produced as a physical document and Richard will transpose this on to a digital map for the plan and number the photos, so Stuart can see the evidence for this document.

We will meet again when Stuart has done the draft plan, and we have each had a chance to look through it. After that there will be a 6 week consultation period with Sedgemoor.
